

FamilyLinks Mercer

WNA Engineering provided engineering services for the renovations to an existing 7,000 sf building to be used as a women's shelter located at 740 Greenville Road in Mercer County, Pa. The scope included bedrooms, a small commercial kitchen, a separate women's shelter within the space, toilet rooms, offices, common spaces, storage, and other supporting spaces.

Project Area 7,000 Sq. Ft.	Owner FamilyLinks	Year Completed 2023	Location Pittsburgh, PA
