

# AHN Seneca Valley Outpatient Center

WNA Engineering provided MEP/FP design services for a new fit out of 7,500 sq ft of space at the Local 449 Steamfitters Technology Center in Harmony, PA. The space is utilized as an outpatient center complete with 10+ exam rooms for primary care, a Physical Therapy gym and X-Ray services. Existing building MEP/FP systems were extended from the Technology Center and modified to fit the program.
