

Steptoe & Johnson PLLC

The Pittsburgh office of nationally recognized law firm Steptoe & Johnson PLLC moved into a 23,000 square foot space in 2023. The new office at One PPG Place has a footprint which is 40% larger than the firm's previous Pittsburgh office.

WNA Engineering provided complete MEP engineering services for the entirety of the project, which included private and open offices, conference rooms, reception area, café, storage rooms, copy/print room, wellness room, core toilet rooms, elevator lobby, and other supporting spaces.

Project Area 23,000 Sq. Ft.	Owner Steptoe & Johnson PLLC	Location Pittsburgh, PA
